**Subject:** Letter of thanks

Dear Sir,

I have the honour to acknowledge receipt of the letter in which you congratulated me on my recent appointment as Minister of Forestry and Wildlife. I would like to thank you and your organization very sincerely for the concern shown to me . May I also take this opportunity to reassure you of my Ministry's commitment to the fight against illegal trade in forest products in general and wildlife species in particular through the implementation of the memorandum of understanding( MoU) signed by both institutions among others.

Accept, sir, my best wishes.

Yours faithfully,

*Ngolle Ngolle Elvis*
